## COLLEGE ADMISSION

Course requirements for application for admission to all campuses of CSU and UC are now the same, although actual admissions practices vary from campus to campus.

### A-G Course Requirements

#### A- History/Social Science 2 years required

One year of World History, Cultures, and Geography. One year of U.S. History or 1/2 year of U.S. History and 1/2 year Civics or American Government.

#### B- English 4 years required

Four years of College Preparatory English that includes frequent, regular, writing and reading of classic and modern literature. No more than two semesters of 9th grade English can be used to meet requirement.

#### C- Mathematics 3 years required (4 recommended)

Three years of College Preparatory Mathematics that include topics covered in elementary and advanced algebra along with two and three dimensional geometry. Approved integrated mathematics courses may be used to fulfill this requirement. Mathematics classes taken in 7th and 8th grade may be used to fulfill requirement if high school accepts equivalent to its own mathematics courses.

#### D- Laboratory Science 2 years required (3 years recommended)

Two years of laboratory science providing fundamental knowledge in two of three disciplines: biology, chemistry, and physics. The latter two years of an approved three year integrated science program may be used to fulfill requirement. Not more than two semesters of 9th grade laboratory science can be used to meet requirement.

#### E- Foreign Language 2 years required (3 years recommended)

Two years of the same language other than English. Courses should emphasize speaking and understanding as well as instruction in grammar, vocabulary, reading, composition, and culture. Foreign Language courses taken in 7th and 8th grade may be used to fulfill requirement if high school accepts as equivalent to its own foreign language courses.

#### F- Visual and Performing Arts 1 year required

One year of visual and performing arts: Dance, Drama/Theater, Music or Visual Art.

#### G- College Preparatory Electives 1 year required

One year in addition to those required in A- F above. Courses may be chosen from the following: Visual and Performing Arts (non introductory level), History, Social Science, English, Advanced Mathematics, Laboratory Science, and Foreign Language (a third year of language used for E requirement or two years of another language).

### College Admission Requirements

**California State University:** Admission is limited to those students who are in the top third of the high school graduates. The top third is determined by a combination of the grade average for UC/CSU approved courses taken in the last three years of high school, and the scores on one of two tests: the American College Test (ACT) or the Scholastic Aptitude Test (SAT). Anyone with a CSU grade point average of 3.0 or better during the last three high school years is eligible, but the SAT/ACT test is still required. A CSU grade point average of 1.99 or lower will prohibit a student from attending a State College regardless of any score made on the test, except under rare circumstances.

**University of California:** The grade average of those courses taken to meet the Subject Requirement is used to establish eligibility for admission. If this GPA is 3.30 or higher, the student has met the Minimum Scholarship Requirement for admission. If the GPA is between 2.77 and 3.30, the student must achieve the necessary college entrance test score indicated in the Eligibility Index to meet the Minimum Admission Requirement. Only courses taken in grades 10-12 are calculated in the GPA. Courses taken in grade 9 are used to meet the Subject Requirement if the grade is "C" or higher, but they are not included in the GPA Honor points (A=5, B=4, C=3) may be calculated for up to four Honors or Advanced Placement courses taken in grades 10-12.

**Community College:** Graduation from high school, California State High School Proficiency Certificate, or a minimum age of 18 years old are the only requirements for community college admission. There are no subject or grade requirements. Students must take a placement examination.

**Private and Out of State Colleges:** Students who are interested in private and out-of-state colleges should contact their counselor for assistance.

## SCHOOL HOURS

- ❖ Office Hours: 7:30 AM – 4:00 PM
- ❖ Voice mail: 24 hours a day

## SCHOOL OFFICE

School business is carried on in the office area so it is necessary to have it quiet and orderly with as little disruption as possible. **Students are not to come to the office without a valid reason, class pass or note from the teacher or by request from the office.** Report accident or injury to the office at once.

## OFFICE TELEPHONE

The school telephones are for **school business only**. Students are not permitted to use the school telephones except in cases of a valid emergency. Students will not be called out of class to take telephone calls. If a parent/guardian has an important message for their student, the school secretary will take the message and give it to the student. Please keep these messages to a minimum. Only the parent/guardian or other persons listed on the student's emergency card may leave a message for a student.

Classroom interruptions are kept at an absolute minimum so students and teachers will not be called from the classroom. Messages can be left with the office staff and will be given to the student or teacher. **Telephone numbers of students and staff are confidential and will not be given out.**

## EMERGENCY CONTACT INFORMATION

At the beginning of each school year or when a new student enters South Lindhurst High School, the parent or guardian must update online registration forms. On this online form it lists the student's current address, telephone

## GENERAL INFORMATION

number, parents' work telephone numbers and emergency contact person(s) to be notified in case the school cannot contact the parents. *Please, always keep the information on this form current.* If you move, change home or work telephone number, or change contact person(s) stop by the school or call and the secretary will make the changes immediately. **Only** those listed on the emergency card will be allowed to pick students up from school. If you have legal custody judgment paperwork regarding parental custody or guardianship please submit a copy to the office.

## **MEDICATION**

A **Permission to Administer Medication** form with explicit directions from the physician and signed by the physician and parent must be completed and on file at the office before **any** medication can be administered. This includes headache, cold, allergy and any other over the counter medication. The form must be updated yearly and a new form is needed whenever medications are changed. These forms are available in the school office.

**All** medicine must be in the original pharmacy container with the student's name clearly visible and facts on current dosage and the name of the supervising physician. **All medication** must be kept in the school office.

## **FIRST AID**

In case of student accidents, the school is responsible for first aid only. The school's main concern is the safety and welfare of the students. In the event of an injury of serious nature, the parents of the child will be notified immediately. If the injury requires immediate medical attention 911 will be called. The school cannot care for injuries or illnesses incurred away from school.

## **ABSENCES**

- **Administrative Regulation 5113**
- **District Attendance Pamphlet**

Regular and prompt attendance is necessary to academic achievement and is required by the State of California. The staff considers more than two (2) days of absence in any grading period excessive. Excessive absences often result in poor grades, possible retention and a truancy citation, which may require a referral to the School Attendance review Board (SARB) and/or Saturday School. Make-up work is the responsibility of the student. In case of extended illness (three days or more) parents should contact the school/teacher and arrange to pick up missed work. The procedure will help prevent the student from being overwhelmed with the task of completing missed work and not reaching goals.

All students at SLHS will be put on an attendance contract that will be strictly followed. Failure to meet the minimum of 85% period attendance could result in the loss of his/her spot at South Lindhurst High School at the quarter.

Steps to follow when students are absent from school:

1. Bring a note from home giving the reason for the absences and dates and present it to the office. NOTE: students absent more than three days should bring a doctor's note.
2. All absences must be cleared through the office and leaving early is considered an absence.
3. Excessive absences could lead to your dismissal from our program.

A note with the reason for the absence is required within 3 days of returning to school. Failure to verify the absence will result in it being documented as unexcused.

## **TARDIES**

If a student arrives at school after the assigned start time, he/she is to check in at the office *before* going to class. If the student is more than 30 minutes late on three occasions, it is considered as one truant day of absence. A truancy letter will be mailed to the home after accumulation of 3 days of truancy. Habitual truancy or tardiness will be reported to the Yuba County School Attendance Review Board (SARB) for appropriate action, as required by

# South Lindhurst High School

California State Law, and/or required attendance at Saturday School. **Please remember that even a few minutes late to class results in missed instruction and disturbance not only to your child but to the remainder of students as well. This will affect their credit repair and ability to stay at SLHS!**

## **ATTENDANCE WILL AFFECT CREDIT EARNING**

This is an attendance based credit earning program. You earn credit through hard work, passing grades and attendance. Students who miss more than 5 days within any given quarter will only be eligible to earn fractional credits for that quarter. Every student starts the quarter with the opportunity to earn 5 credits per passed course. If you fail a course you receive zero credits. Please refer to the attendance credit formula below to understand how poor attendance can negatively impact your credit earning.

### **UNEXCUSED ABSENCE CREDIT FORMULA** **Quarters 1-4: 5.0 Credits Possible Ea. Class**

Bus transportation is provided for students outside the designated walking area. Riding the bus is a privilege and not a right. Bus drivers will issue citations to those students who cannot follow instructions or for those students who are disobedient. Students cited may be asked not to ride the bus for a period of time or permanently depending on the severity and frequency of infractions, and the parent/guardian will be responsible for the student’s transportation. If a student needs to ride a different bus a note from home must be **received and approved by the office** before boarding the bus.

## **Student Expectations & Consequences**

*Let's all help keep the school clean by throwing garbage away. This is our home away from home 😊*

South Lindhurst High School appreciates each child's uniqueness and encourages both self-confidence to explore creatively and the discipline necessary for learning. We expect our students to understand that character and honor are as important as intelligence.

South Lindhurst expects all students will act honorably so as to reflect pride upon themselves and the school. Furthermore, it is expected that all students are responsible for their own actions and the consequences of their actions.

# South Lindhurst High School

## **PROCEDURES FOR DISCIPLINE**

### **\*\* Board Policy on Search and Seizure; including Drug-Detection Dogs**

Discipline is a word for training. It enables students to make appropriate choices, using defined school rules and indoor and outdoor limitations. Knowing there are logical consequences for inappropriate behavior and choices helps students maintain appropriate, desirable behavior. Students will receive a *Referral form* for 1) behavior that is harmful to others and self and 2) direct defiance of supervising adults. In most cases a student will have been warned and given a chance to correct the behavior. When inappropriate choices are made the incident is investigated and interventions and consequences are implemented depending on the outcome of the investigation.

The investigation process is extensive and includes statements from student, witnesses, physical evidence, video documentation, etc... Given all of the various forms of evidence gathered, often times the version given by the student differs from the outcome of the investigation. Your understanding with this is greatly appreciated.

### **INTERVENTIONS/CONSEQUENCES MAY INCLUDE ANY OF THE FOLLOWING:**

- **Warning and documentation**—MAY be given for first time and/or minor incidences
- **Alternative Setting**-- Used when students need time out of a room. This constitutes the student being sent to another classroom for a period of time in an attempt to correct the behavior.
- **School Beautification**—students spend lunch recess beautifying the campus as allowed by California Education Codes.
- **Saturday School**—student attends school on Saturday to make up missed learning time as a result of behavior, attendance, and being tardy to class.
- **Intervention Class**—Anger Management, Bullying, Tobacco, Substance Abuse, etc.(When available)
- **Detention**—assigned when students are a disruption to the learning environment, defiant, disrespectful, tardy for class, attendance issues, etc...
- **Counseling**
- **Interventions**—between students at odds with each other.
- **Teacher suspension from class**—teachers have the right to suspend students from his/her class for up to two days. Parents must be notified by teacher.
- **Exclusion from school related activities**
- **Suspension from School**—results in student remaining at home from between 1 to 5 days. See below for examples
- **Expulsion**-- Results in student being excluded from any Marysville Joint Unified School District School and being required to enroll in an Alternative Education Program.

As parents you expect your child to follow safety rules and respect others. So we ask that you review the Discipline Notice and discuss options your child might take to solve problems, participate in safe play, and respond appropriately to supervising adults.

Persistent violations of the school rules may result in a conference to develop a Student Behavior Management Support Plan, suspension, or expulsion.

## **SUSPENSIONS AND EXPULSIONS**

**\*\* California Education Codes 48900 – 48915**

**\*\* District Appeals Guide—must be followed to appeal a suspension or expulsion**

All visitors and volunteers must sign in at the office for the safety of our school. If you are interested in volunteering please contact the office for the fingerprint form and instructions. Parents are responsible for the fees associated with clearance.

Volunteers within the classroom are there to assist the teachers and students. Therefore, volunteers should leave younger children at home where they can be adequately supervised. Also, volunteers are in a confidential relationship within the classroom and as such should remember that all students' privacy should be respected and not discussed with other people outside of the classroom.

**Conferences with either the teacher or other school staff should be by appointment to ensure that the person you want to see is available. If you would like to visit the classroom please schedule the time with the teacher. Any students not enrolled at SLHS will be sent home upon arrival.**
